The Real Secret of the unpersileled success of THE CHICAGO DAILY News may be found in two distinguishing characteristics, which more than anything else have contributed to its remarkable growth.

FIRT:—It is a Daily Paper for Bury People. The people of the busy West appreciate keenly the necessity of an intelligent knowledge of the world's daily doings, but they are too busy to waste valuable time in searching through a combrotts "blanket-sheet" newspaper for the real news of set, literature, through a combroits "blanket-sheet" newspaper for the real news of art, literature, seasone, religion, politics, and the thousand-and-one things which make up modern civilination. They want news—all the newsbat they don't want it conceals in an overpowering mass of the trivial and anomal expension. It is because Tain Cancado Data.
